SUPPORTING AN AMAZING CAUSE

YOU ARE THE
CHAMPION!

Proceeds from the Edmonton Firefighter's Golf Classic help support EFBTS to be able to continue to fund the Edmonton Firefighters Burn Treatment Unit at the University of Alberta Hospital and the Alberta Firefighter's Burn Camp for Children

The journey from burn patient to burn survivor is a long and painful one. It is sustained by confidence, passion and unparalleled courage.

Confronting the challenges imposed by a lifetime of pain and disfigurement is just the beginning for most burn survivors.

They must also struggle to heal the emotional and psychological trauma that can be equally painful and overwhelming while re-entering their new life in society.
